

# TABLE OF PAROCHIAL FEES 2024 FROM 1 JANUARY 2024

## BAPTISM CERTIFICATES AND MARRIAGES

This table sets out the fees prescribed by the Parochial Fees Order 2019 (a Statutory Instrument) and summarises other relevant information. For legal purposes reference should be made to the Order itself. There is a separate table for fees for funerals, burials, and monuments.

The 2019 Order set the framework for fees until 2024. It provided that fees would increase annually in line with CPI, rounded up to the nearest pound. In February 2023 the General Synod approved the parochial Fees (Amending) Order 2023 which capped increases to 5%, rounded up to the nearest pound, in 2023 and 2024.

For further information about fees refer to the **Guide to Church of England Parochial Fees** and **Frequently Asked Questions** which are available on the Church of England website.

### EXTRAS

The fees shown in the table do not include charges for heating, the services of a vergier, music (e.g. organist, choir), bells, and flowers, which are fixed by the Parochial Church Council. In the case of a marriage service or a funeral service in church, any costs and expenses incurred in respect of routine administration (including arranging dates and times and the making of entries in registers), making the church available and lighting it are included in the fee prescribed as payable to the Parochial Church Council.

*Statutory fees are only prescribed for matters in respect of which parishioners have a legal right. Not all services come into this category, for example funerals where there is a period of more than 48 hours between the funeral service and the cremation and between the cremation and the disposal of ashes. This also applies to special services such as memorial services and services of blessing and dedication following a civil marriage. The Archbishops' Council recommends that, where a memorial service is on a similar scale to a funeral service, or a service of blessing and dedication following a civil marriage or a renewal of marriage vows is on a scale equivalent to a wedding service, the PCC fee should be based on the statutory fee for the service, with the PCC receiving the equivalent of the combined DBF and PCC fee.*

### NOTES:

#### A1. Certificates of Baptism

The fee for a certificate issued at the time of baptism is for a certified copy of the entry in the register book of baptisms giving the particulars required in Form No 1 in Schedule 1 to the Parochial Registers and Records Measure 1978. The fees payable for a certified copy of the full entry issued at any other time are the fees prescribed for searching registers of baptisms and burials and, if applicable, for each additional copy of an entry in such a register.

#### A2. Searches in Church Registers

The search fee relates to a particular search where the approximate date of the baptism or marriage is known. The fee for a more general search of a church register is negotiable.

#### A3. Costs and Expenses

In the case of a marriage service in church, any costs and expenses incurred in respect of routine administration (including arranging dates and times and the making of entries in registers), making the church available and lighting it are included in the fee prescribed as payable to the parochial church council.
